

This is a detailed topographic map of a region in Sweden, likely in the Skåne county. The map shows a complex network of roads, including a major highway (E6) running horizontally across the middle. A red circle highlights a specific location on a road, possibly a junction or a point of interest. The map is filled with numerous labels for various places, including Ektorp, Saltjö-Duvnäs, Källtorpsjön, Skogsö, and many smaller lakes and streams. The terrain is depicted with green for forested areas and yellow for open land. The map is oriented with North at the top.
